

# STAFFING SERVICES

*We'll Focus on Your Staffing. You Focus on Your Core Business.*

JAVAN ENGINEERING is a full service consulting engineering firm with an experienced and unique staffing division. As seen in the Smart CEO Magazine, we have been ranked as one of Philadelphia's fastest growing companies for the past 6 years. As a result of many years of successful and trustworthy relationships, you will be presented with well qualified candidates that meet your requirements and fit your specific culture. Join our excellent clients in the Industrial, Chemical and Pharmaceutical industries to benefit from our services.

**Hiring the wrong candidates can be challenging and expensive.**
